Statement of commitment to child safety

Malmsbury PS is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex and queer (LGBTIQ+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences. Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

Roles and responsibilities

School leadership team

Our school leadership team (comprising the Principal and Student Wellbeing staff member) is responsible for ensuring that a strong child safe culture is created and maintained, and that policies and practices are effectively developed and implemented in accordance with Ministerial Order 1359.

- facilitate regular professional learning for staff and volunteers (where appropriate) to build deeper understandings of child safety, cultural safety, student wellbeing and prevention of responding to abuse
- create an environment where child safety complaints and concerns are readily raised, and no one is discouraged from reporting an allegation of child abuse to relevant authorities.

School staff and volunteers

All staff and volunteers will:

Specific staff child safety responsibilities

Malmsbury PS has nominated a Child safety Champion Siobhan Moody to support the principal to implement our child safety policies and practices, including staff and volunteer training.

The responsibilities of the child safety champion are outlined at [Guidance for child safety champions](#). In addition to these roles, our child safety champion is also responsible for:

Our principal and child safety champion are the first point of contact for child safety concerns or queries and for coordinating responses to child safety incidents.

- The Child safety Champion is responsible for monitoring the school's compliance with the Child Safety Policy. Anyone in our school community should approach the Principal if they have any concerns about the school's compliance with the Child Safety Policy.
- The Child safety Champion is responsible for informing the school community about this policy, and making it publicly available
- Other specific roles and responsibilities are named in other child safety policies and procedures, including the Child Safety Code of Conduct, Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures, and Child Safety Risk Register.

Our school has also established a Child Safety and Wellbeing Team (all Staff Members) and a Student Reference Group on child safety. The Child Safety and Wellbeing Team meet regularly to identify and respond to any ongoing matters related to child safety and wellbeing. The Student Reference Group provides an opportunity for students to provide input into school strategies.

Our leadership team monitor the Child Safety Risk Register.

Child Safety Code of Conduct

Our Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The Child Safety Code of Conduct <http://malmsburyps.vic.edu.au> also includes processes to report inappropriate behaviour.

Managing risks to child safety and wellbeing

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

Our school will always look for best practice approaches to promoting child safety and managing risk in physical and online environments. We will always refer to [PROTECT Child Safe Standard 9](#) for guidance and suggestions.

Establishing a culturally safe environment

At Malmsbury PS, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

- We include child safety as a standing item on leadership team and staff meeting agendas.
- school-based roles and responsibilities for child safety are known and understood across the school community
- we make sure students, school staff, and members of the school community know who to contact if they have a concern about child safety in the school. We ensure this information is kept up to date, and is accessible to all.
- we recognise the diverse needs of children in the school and ensure inclusive and culturally safe places for children and parents, particularly those with a disability
- we provide ongoing induction and training for all staff and volunteers in child safety including how to recognise and respond to child abuse.
- we conduct a review after a potential risk or report occurs in the school
- Our Aboriginal and Torres Strait Islander Education Plan outlines the measures we have in place to maintain an inclusive and culturally safe school for Aboriginal children and students

Our school strategies and actions promote cultural safety and refer to [PROTECT Child Safe Standard 1](#) for guidance and suggestions.

Student empowerment

To support child safety and wellbeing at Malmsbury PS, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging through implementing our whole school approach to Respectful Relationships, our student Code of Conduct, and our school values.

We inform students of their rights through displaying the child friendly Child Safe standards in every classroom, our whole school approach to Respectful Relationships and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns at <http://malmsburyps.vic.edu.au>, their teacher/s and/or at the school office, or Principal.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

Our school will always look for best practice approaches to empowering children and students to know their rights by referring to the [PROTECT Child Safe Standard 3](#) guidance.

Family engagement

Our families and the school community have an important role in monitoring and promoting children's safety and wellbeing and helping children to raise any concerns.

To support family engagement, at Malmsbury PS we are committed to providing families and community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.

We will create opportunities for families to have input into the development and review of our child safety policies and practices and encourage them to raise any concerns and ideas for improvement.

We do this by:

- our school will seek input from families and the community through the Sentral Parent Portal, school website, newsletters, other communications as needed, school council, subcommittees of school council, parents and friends meetings, student, staff, and parent meetings.
- all of our child safety policies and procedures will be available for students and parents at <http://malmsburyps.vic.edu.au>, in the Sentral Parent Portal under documents, or on request from the school office.
- Newsletters and messaging through the Sentral Parent Portal will inform families and the school community about any significant updates to our child safety policies or processes, and strategies or initiatives that we are taking to ensure student safety.
- PROTECT Child Safety posters, kidshelpline contact information and the Learning Zones Behaviours matrix will be displayed across the school in every classroom and shared spaces such as the library, foyer and staffrooms.

Our school will always look for best practice approaches to engaging families and communities in its child safety approach by referring to the [PROTECT Child Safe Standard 4](#) for guidance.

Diversity and equity

As a child safe organisation, we celebrate the rich diversity of our students, families and community and promote respectful environments that are free from discrimination. Our focus is on wellbeing and growth for all.

We recognise that every child has unique skills, strengths and experiences to draw on.

We pay particular attention to individuals and groups of children and young people in our community with additional and specific needs. This includes tailoring our child safety strategies and supports to the needs of:

- Aboriginal children and young people
- children from culturally and linguistically diverse backgrounds
- children and young people with disabilities
- children unable to live at home or impacted by family violence
- international students
- children and young people who identify as LGBTIQ+.

Our Student Wellbeing and Engagement Policy, Diversity and Inclusion Policy, which can be accessed at <http://malmsburyps.vic.edu.au> , provides more information about the measures we have in place to support diversity and equity.

Our school will always look for school strategies and actions to reflect our commitment to diversity and equity as per Ministerial Order 1359, Clauses 9.2 and 9.3. We will always refer to [PROTECT Child Safe Standard 5](#) for guidance.

- collect and record:
 - proof of the person's identity and any professional or other qualifications
 - the person's history of working with children

Staff will be monitored and assessed to ensure their continuing suitability for child-connected work. This will be done by monitoring and maintain the staff VIT registration, regular performance reviews and adherence to our Child Safe Code of Conduct.

Inappropriate behaviour towards children and young people will be managed swiftly and in accordance with our school and department policies and our legal obligations. Child safety and wellbeing will be paramount.

Our school's people management processes will be in line with and always be guided by Ministerial Order 1359, Clause 10. We will refer to [PROTECT Child Safe Standard 6](#) for this guidance.

Suitability of volunteers

All volunteers are required to comply with our Volunteers Policy which can be found at www.malmsburyps.vic.edu.au, and describes how we assess the suitability of prospective volunteers and outlines expectations in relation to child safety and wellbeing induction and training, and supervision and management.

Child safety knowledge, skills and awareness

Ongoing training and education are essential to ensuring that staff understand their roles and responsibilities and develop their capacity to effectively address child safety and wellbeing matters.

In addition to the child safety and wellbeing induction, our staff will participate in a range of training and professional learning to equip them with the skills and knowledge necessary to maintain a child safe environment.

Staff child safety and wellbeing training will be delivered at least annually and will include guidance on:

- our school's child safety and wellbeing policies, procedures, codes, and practices

Our school's training program will always be guided by and reflect [PROTECT Child Safe Standard 8](#).

School council training and education

To ensure our school council is equipped with the knowledge required to make decisions in the best interests of student safety and wellbeing, and to identify and mitigate child safety and wellbeing risks in our school environment, the council is trained at least annually. Training includes guidance on:

- individual and collective obligations and responsibilities for implementing the Child Safe Standards and managing the risk of child abuse

- child safety and wellbeing risks in our school environment
- Malmsbury PS child safety and wellbeing policies, procedures, codes and practices

Complaints and reporting processes

Malmsbury PS fosters a culture that encourages staff, volunteers, students, parents, and the school community to raise concerns and complaints. This makes it more difficult for breaches of the code of conduct, misconduct or abuse to occur and remain hidden.

We have clear pathways for raising complaints and concerns and responding and this is documented in our school's Complaint Policy. The Complaints Policy can be found at <http://malmsburyps.vic.edu.au>.

If there is an incident, disclosure, allegation or suspicion of child abuse, all staff and volunteers (including school council employees) must follow our Child Safety Responding and Reporting Obligations Policy and Procedures <http://malmsburyps.vic.edu.au>. Our policy and procedures address complaints and concerns of child abuse made by or in relation to a child or student, school staff, volunteers, contractors, service providers, visitors or any other person while connected to the school.

As soon as any immediate health and safety concerns are addressed, and relevant school staff have been informed, we will ensure our school follows:

- the [Four Critical Actions](#) for complaints and concerns relating to adult behaviour towards a child
- the [Four Critical Actions: Student Sexual Offending](#) for complaints and concerns relating to student sexual offending

Our Student Wellbeing and Engagement Policy, and Bullying Prevention Policy (<http://malmsburyps.vic.edu.au>) cover complaints and concerns relating to student physical violence or other harmful behaviours.
