# Malmsbury Primary School Newsletter

Term 2 Week 10—Friday 21<sup>st</sup> June 2024

## **Womin-dji-ka | Welcome**

It is hard to believe that we are just about to head into the final week of the first semester of school. It has been a longer term and so many things have been packed into the weeks. Some of the big highlights have been the Anzac Day, Walk to School Day, Mothers' Day Breakfast, 5/6 Urban Camp, State School Spectacular Rehearsals, Earth Ed Incursions and Excursions, along with a whole lot of learning. School reports are just being finalised, and these will be sent out via email and paper copy at the end of next week. Stay tuned for the information about booking Parent Teacher Interviews early in term 3.

### **School Wide Positive Behaviour Support Program (SWPBS): Values Review and Parent/Carer/Guardian Feedback:**

Thank you to all the parents/families who have helped us to review our School Values through the survey.

I am keeping the survey open for the next week to continue to gain responses from you regarding our School Values. Currently we have had 9 families respond, but would love many more to ensure the feedback provided shows a representation across the whole community.

The survey has 5 questions that will help to rank and provide your thoughts on the selected values. It will take approximately 5 minutes to complete, but I encourage you all to discuss with your families what these values mean to you. Each parent in the household can complete the survey, or you may choose to do it together.

You can now access the survey at the following link:

<https://forms.gle/av9mab7u97TP1er96>

After the responses are collected, we will be able to use these 3 school community selected values/expectations to guide the development of a positive behaviour matrix for our school. This matrix will support consistency in how we teach and promote positive behaviours across our community.

### **Berry Street Education Model Training for Staff:**

This week we had a number of our staff attend the first 2 days of the Berry Street Education Model (BSEM) training. The BSEM model is focused on trauma informed practices and our staff have enjoyed learning about the various ways we can connect with students and provide safe and supportive environments. These staff will complete the final 2 days of training in August.

### **Parent Payments Policy-Fees Schedule**

Thank you to all those parents who have contributed to the fees schedule. The fees schedule can be found on our school website at the following link.

[https://malmsburyps.vic.edu.au/?attachment\\_id=1013](https://malmsburyps.vic.edu.au/?attachment_id=1013)

Please be aware that any payments made to our building fund are tax deductible.

### **Grade 3/4 Camp Sovereign Hill Wednesday July 24th to Friday July 26th:**

In week 2 of next term, our grade 3/4 class will be venturing off on their camp to Sovereign Hill. The students will take part in a range of historical activities at the camp and will also get to experience the Aura Sound and Light Show at night. The initial camp information note was sent home with students and via email earlier this week. It would be great to have the dietary confirmation notes and \$100 deposit finalised as soon as possible. Please feel free to contact the office if you would like to organise a payment plan for the camp.

***Have a safe and happy week everyone, and thank you for your continued support.***

## AROUND THE CLASSROOMS

### Grade Prep/1:

This week in the Prep/One room, we have enjoyed exploring measurement by seeing how long we are. First, we ordered ourselves from smallest to tallest, then we came inside and checked with the measuring tape. We did find that Luna is slightly taller than Sorcha!

We also used informal units, like gumnuts, Jenga blocks, MAB blocks and texta's, to see how long our partner is. We had to make sure that we used the same unit each time, and that the units were close together, no gaps or overlaps. You can see in the photos, we are really good with this. Maths can be so much fun and interactive!

# SNAPSHOTS FROM THE SCHOOL DISCO

Well, it was great seeing all the fun and special dance moves that came out for our JSC's School Disco. The kids had so much fun and it was a great way to help us celebrate a term of learning at MPS. Thank you to the JSC for organising this great event and to the staff and parents who supported the running of the disco. It was such a fun night for all.
